

RAULJI SIDDHARTHSINH

Vadodara, Gujarat • +91 7777905078 • siddharthraulji5@gmail.com

PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on experience in cybersecurity, machine learning, and web development. Built real-world projects including phishing detection systems and secure file encryption tools. Focused on developing scalable and user-centric applications.

TECHNICAL SKILLS

- Languages : Python, JavaScript, Java
- Web : HTML, CSS, JS,
- Tools : Git, VS Code, Chrome Extension
- Concepts : Data Structure, DBMS, Cybersecurity

PROJECTS

PHISHGUARD AI - REAL-TIME PHISHING DETECTION SYSTEM

[\[Live Demo\]](#)

React | JavaScript | Python | Machine Learning | Browser Extension

- Built an AI-powered phishing detection system to analyze URLs and web content, enabling real-time identification of malicious websites.
- Developed a chrome browser extension to provide instant alerts and protect users from phishing attacks during web browsing.

ENCRYPT-IT PRO - SECURE FILE ENCRYPTION SYSTEM

Python | Cryptography | File Handling

- Developed a Python-based secure file encryption system with time-controlled access and automatic re-encryption to ensure data confidentiality.
- Designed a modular application with GUI, secure file sharing, user management, and activity logging for efficient and controlled file operations.

EDUCATION

Diploma in Computer Science and Engineering

Sep 2022 - Mar 2025

Drs. Kiran & Pallavi Patel Global University (KPGU)

- Gained strong foundational knowledge in computer science, including programming, data structures, and software development.
- Worked on academic projects and research focused on sustainable and efficient engineering solutions.

Bachelor of Technology in Computer Engineering (Pursuing)

Jul 2025 - Mar 2028

Charotar University of Science and Technology -(CHARUSAT)

- Building strong expertise in core computer science subjects including Data Structures, Algorithms, and Software Development.
- Actively developing real-world projects in areas like cybersecurity, web development, and machine learning.
